

**WALWORTH TOWN BOARD – SPECIAL WORK SESSION MEETING –
DESIGN CRITERIA
22 APRIL 2009**

On April 2, 2009, Council members scheduled a Special Work Session Meeting for the Design Criteria. Councilwoman Marini stated that the Town Clerk was not needed at this session, therefore she did not attend. She was aware, however, that a quorum of the Board was present and, therefore, asked if there were minutes taken during the session. Councilwoman Hawkins-Mance provided the following information for the Town Clerk to prepare these draft minutes.

Presiding Supervisor Plant called the scheduled Special Work Session Meeting – Design Criteria, held at the Walworth Town Hall, 3600 Lorraine Drive, to order at 8:00 AM.

Present:	Thomas Yale	Councilman
	Suzi Hawkins-Mance	Councilman
	Ed Parrone	Engineer for the Town
	Carl Hewings	Engineer for the Town
	Phil Williamson	Code Enforcement Officer
Absent:	Patricia Marini	Councilwoman
	Frank Maciuska	Councilman
	Susie Jacobs	Town Clerk

Discussion ensued regarding the review of the Design Criteria, with no Motions or Resolutions offered, therefore no minutes were required.

It was reported that the meeting adjourned at 9:30 AM.
